

GDSC BPIT

GDSC BPIT						
Vision: A Pursuit for Inspiration and Development.	Mission: -Developing and fostering leadership traits. -Raising awareness of upcoming technologies and disseminating information about them. -Bringing together the most recent technologies and technical reviews. -Interaction with industry professionals to prepare for a career.					
<p>Developer Student Clubs are University based community groups for students interested in Google developer technologies. Students from all undergraduate or graduate programs with an interest in growing as a developer are welcome. By joining a GDSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community.</p>
